Education

Yale University

August 2017 - May 2021

B.A. Economics & African Studies

Distinction in Both Majors -- GPA: 3.76/4.00

Senior Essay: Modeling Tropical Deforestation in Sub-Saharan Africa (Advisor: Professor Robert Mendelsohn)

- Awarded \$8,500 through *US Department of State* (Foreign Language Area Studies Award 2018) to study Kiswahili in Tanzania

Work Experience

Berkshire Partners / Data Scientist

July 2022 - Present, Boston, MA

- Individually managed projects throughout lifecycle (scoped deliverables with stakeholders, collected data, generated analyses and presented findings to relevant Berkshire teams)
- Supported all stages of deal cycle from sourcing through due diligence, regularly performed analyses for Berkshire Portfolio Support Group (PSG) and Stockbridge (Berkshire's Hedge Fund)
- Projects include statistical modeling with alternative data, geospatial analysis, natural language processing, software and data infrastructure development, and backtesting data sources/methodology

Bain & Company / Associate Consultant

June 2021 - July 2022, Boston, MA

- Check out this article on what I learned at Bain
- Developed governance model, organizational design, and Recruitment Process Outsourcing strategy for a \$20B tech firm
- Designed presentations for c-suite executives based on primary research (expert calls, benchmarking KPIs, employee interviews and quantitative analysis)
- Cases include a multi-billion dollar tech spinoff, new business strategy for a scientific equipment manufacturer, and Private Equity portfolio support

Pfizer / Financial Planning & Analysis (FP&A) Intern — Oncology and Inflammation & Immunology

June 2020 - August 2020, New York, NY

- Delivered strategic commentary on Revenue and Profit & Loss to support senior leadership in organizational decisions
- Conducted key financial analyses for business unit's three-year Operating Plan and presented it to C-Suite executives
- Analyzed Risk and Opportunities of drug portfolio in light of COVID-19 (Latest Estimate 3)
- Researched and presented an advisory report on a new product to finance leadership

Yale Native American Cultural Center (NACC) / Lead House Staff

August 2017 - May 2020, New Haven, CT

- Managed NACC employees, conducted weekly meetings and worked directly with an Assistant Dean of Yale College
- Served as *Editor-in-Chief* of the NACC Newsletter and initiated intercultural collaborations with other Cultural Centers

Christie's / Marketing & Development Intern

June 2019 - July 2019, London, UK

- Represented firm to high value clients during auction sales and art fairs
- Wrote content for website (christies.edu) and newsletter, managed alumni relationships

Two Six Capital / Summer Analyst

July 2017 - August 2017, San Francisco, CA

- Conducted analyses of revenue forecasts for leveraged buyouts
- Wrote code to take SQL queries and autogenerate Excel spreadsheets
- Cataloged the company's \$70 billion in transactions using SQL and Python

Volunteer Experience

Saint Luke's Episcopal Church / Choir Member

August 2018 - May 2021, New Haven, CT

- Sang in weekly church services

Saint Anthony Hall / Lecture Series Executive

October 2018 - May 2021, New Haven, CT

- Wrote grant applications which yielded \$3,000 for annual fall lecture series
- Coordinated the visits of seven lecturers to Yale's campus
- Initiated collaboration with the Windham-Campbell Literature Prizes at Yale
